

26/7/3/3/1/G0051/2026

CERTIFICATE OF GOOD MANUFACTURING PRACTICE (GMP)

I, the undersigned Inspectorate and Regulatory Compliance Senior Manager of South African Health Products Regulatory Authority of the Republic of South Africa, hereby certifies that the testing laboratory of pharmaceutical products namely:

Greenhill Laboratories (Pty) Ltd
4 Ridgeview Offices Suites
Cnr Ridge and Bergview Roads
Hilton

Has been inspected on 15-17 November 2022, and the resolution letter was issued on 22 September 2023.

The Testing laboratory is authorised in accordance with section 22C (1) (b) of the Medicine and Related Substances Act, 1965 (Act 101 of 1965 under licence number 00000001449 to perform Microbiological testing of Cannabis related products

From the knowledge gained during inspection of this testing laboratory, it is considered that the company complies with the Good Manufacturing Practice requirements prescribed by South African Health Products Regulatory Authority. (S.A. Guide to GMP: www.sahpra.org.za).
